How to come here

By car:

The North and South exit of the A13 motorway are about the same distance from the city centre. We suggest to choose Ferrara North exit and to follow the indications for downtown Ferrara. You get the main street, Viale Cavour, and, after about 1 km, find the Estense Castle on your right.

By train:

In the square of the railway station you find taxis (Radiotaxi phone number 0532 900 900) and the bus station (Line 1 and Line 9 has a stop at the castle). The distance between Ferrara train station and the Estense Castle is about 1 km.

By plane:

Outside Bologna airport you can catch one of the shuttles that get to Bologna train station, where you find several trains getting to Ferrara. If you prefer to rent a car you have to take the ring road (in Italian "tangenziale") and then enter the A13 Motorway and follow the indication for Padova.

Hotel Accommodation

Participants should make their own hotel reservations.

The tables show the rates of the hotels and some B&B. All prices are inclusive of breakfast. To take advantage of tariff concessions is necessary to qualify as a participant in the conference Aiar 1-4 March 2011.
