

Newport News, December 14, 2023

To Whom it may concern:

Object: PROBES secondment of Marco Contalbrigo at Jefferson Laboratory.

This to certify that Marco Contalbrigo from INFN-FE has visited Jefferson Lab from **December 1, 2023 to December 11, 2023** in order to participate in the activities connected to work package WP1 within the H2020 Grant Agreement n. 101003460 “PROBES”.

Marco Contalbrigo worked full time on PROBES project.

Sincerely,

Patrizia Rossi

Deputy Associate Director Experimental Nuclear Physics
