

Newport News, February 16, 2024

To Whom it may concern:

Object: PROBES secondment of Marco Contalbrigo at Jefferson Laboratory.

This to certify that Marco Contalbrigo from INFN-FE has visited Jefferson Lab from **February 5, 2024 to February 14, 2024** in order to participate in the activities connected to work package WP1 within the H2020 Grant Agreement n. 101003460 “PROBES”.

Marco Contalbrigo worked full time on PROBES project.

Sincerely,

Patrizia Rossi

Deputy Associate Director Experimental Nuclear Physics
