

Newport News, March 18, 2024

To Whom it may concern:

Object: PROBES secondment of Luciano Pappalardo at Jefferson Laboratory.

This to certify that Luciano Pappalardo from INFN-FE has visited Jefferson Lab from **March 9, 2024 to March 15, 2024** in order to participate in the activities connected to work package WP1 within the H2020 Grant Agreement n. 101003460 “PROBES”.

Luciano Pappalardo worked full time on PROBES project.

Sincerely,

Patrizia Rossi

Deputy Associate Director Experimental Nuclear Physics
